

## Parents Policy

All parents at our club have the right to expect that the committee will provide a safe and harmonious environment for their child to attend whilst playing football. In return the committee expects that all parents ensure that their behaviour does not bring the club into disrepute.

**It is expected that all parents representing the Croydon Junior Football Club will:**

- Abide to all smoking, Alcohol and Drug Policies
- Never argue and co-operate at all times with coaches, officials, umpires or parents from the Croydon Junior Football Club or any other club
- Never verbally or physically abuse any person as above
- No swearing at inappropriate times
- Ensures your child arrives at the ground at the correct time with correct attire
- Fulfil your duties on the roster set by the Team Manager
- Ensure that all fees and outstanding monies are paid in full before the first match
- Ensure that under EFL rules dogs remain off the oval at all times during matches

Croydon Junior Football Club, Football Operations Manager,
